

Would you like to have your rate of physical aging slowed so as to give you a life expectancy of about 500 years?

Given the ability to project yourself into the past but not return, would you do so? Where would you go and what would you try to accomplish if you knew you might change the course of history?

Do you usually make a special effort to thank someone who does you a favour? How do you react when you aren't thanked?

Would you rather play a game with someone more or less talented than you?

Would it matter who is watching?

If you could have free, unlimited service for one year from an extremely good cook, chauffeur, housekeeper, masseuse, or personal secretary, which would it be?

Would you enjoy spending a month in a beautiful natural setting? Food and shelter would be provided but you would not see another person. Why would you say yes, or no?

Why?

Which of the following restrictions

Do you feel that advice from older people carries a special weight because of their greater experience?

Do you think that the world will be a better or a worse place 100 years from now? Explain!

Your house, containing everything you own catches fire; after saving your loved ones and pets, you have time to safely make one final dash to save one item. What would it be and why?

If not, why?

You have the power to go any distance into the future and, after one year, return to the present with any knowledge you have gained from your experience but with no physical objects.

Where would you make the journey to? What if it carried a 50 % risk of death?

If you could wake up tomorrow having gained one ability or quality, what would it be?

Explain why you chose it!

Would you rather be extremely successful professionally and have a tolerable yet unexciting private life, or have an extremely happy private life and only a tolerable and uninspiring professional life? Why?

professional life? Why?
