

The Mole's Hole and the Crow's Home

Cole the mole lives under a hole. His friend Roy the Crow came to visit one day. Cole served toast and a yummy roast. After they ate, they talked and they joked until they had to say good-bye.

“Thank you, my friend. Come to my house on the coast and let's have more fun,” said Roy.

“Yes, I will!” said Cole with joy.

Cole wore his favorite yellow coat. And travelled through a long road and rode a boat to Roy's home. They ate some scones and oats, and talked and talked.
