

What Would You Do?

What would you do in each of the following situations?

1. Someone has just given you a birthday present that you don't really like.
2. The people who live above your apartment building stay up every night partying and making noise so you can't get any sleep.
3. The family across the street never cleans up their yard. The garbage blows into your yard.
4. The guy next door always parks his car in front of your door way.
5. Your bestfriend has a terrible voice. He is always singing and getting in your nerves. Lately, he has even been talking about trying to start a career as a pop star.
6. You saw your friend's boyfriend or girlfriend with someone other than your friend.
7. Your 19-year old daughter has a new boyfriend who is 36 years old. You tried to tell her that she should end the relationship but she became angry and threatened to never speak to you again.
8. You are in love with an incredible man/woman whom you see everyday on the bus. The only problem is you've never talked to this person so he/she doesn't even know who you are. You badly want to talk to him/her but don't know how.
9. Your parents have always dreamed of you becoming a doctor. You are in medical school now but you hate it, even the sight of blood makes you feel sick. You want to quit but you don't know what to say to your parents.
10. Your boyfriend/girlfriend is going away to study or work abroad for a few years and you don't know if you can wait for him/her to come back.
11. You are attending university in the United States. Your parents gave you enough money for the entire year but you wasted all of it on a 5-day gambling trip in Las Vegas. You still have one more semester of school but you only have \$100 left.
12. Your parents hate your boyfriend/girlfriend but you are really in love and you want to get married with him/her.
13. Your friend has been playing at your house all day but it's now past midnight so it's time for him/her to go home.
