

Listening Curriculum for Beginner

This collection of easy dictations will help you practice your English writing and listening skills. Listen to each dictation twice only & jot down the sentences accurately.

Each of the following dictations focuses on a specific learning point. The dictations are for beginner level learners and includes five sentences in each dictation. Each sentence is read twice with time to write down the sentence.

Please give this the link to the student before your class starts, so that you can fully use the 25 minute class wisely. (<http://esl.about.com/library/media/audio/hotel.mp3>)

At a Hotel - Common phrases used at hotels .

Script :

Can I make a reservation , please?

I'd like a double room with a shower

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
