

## Buffalo Hunters

The great herds of buffalo that roamed the plains were essential for all parts of Sioux life and society. For most Sioux villages, "home" was wherever the herds of buffalo roamed.

Before the introduction of the horse, Sioux warriors would hunt the buffalo by dressing up as wolves as tricking them into running off of cliffs and ledges. They would also dress up in buffalo skins and make crying sounds like a baby buffalo. When an adult buffalo went to investigate, the warriors would kill it with spears and arrows.
