

Does Technology Make Us Less Human?

Vocabulary:

monolithically(adverb)- consisting of one piece

Example: People are very complex. They can't be monolithically good or bad.

enhance (verb)- to increase or further improve the good quality, value, or status of somebody/something

Example: What can we do to enhance your workplace satisfaction?

foster (verb)- to encourage something to develop

Example: We need to try and further foster the relationship between manager and employees.

outlet (noun)- a way of expressing or making good use of strong feelings, ideas, or energy

Example: Playing the guitar is the outlet for her creative energy.

empathy (noun)- the ability to understand another person's feelings, experience, etc.

Example: He never shows any empathy towards other people.

A **diverse** group is made up of people or things that are very different from each other.
