

Right or Wrong

∥

Is it right or wrong? (If so, why? If not, why not?)

1. Men are more intelligent than women.
2. Environmental problems can be solved by technology.
3. Sometimes it's okay to lie.
4. Watching TV makes people stupid.
5. A love match guarantees happiness better than an arranged marriage.
6. Men with religion are happier than men without one.

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
