

Making Choices

Make a choice and tell why:

1. Will you get married or remain single?
2. If you were stopped for a traffic violation, would you accept the ticket or try to make excuses?
3. Your hubby is unable to support your family. Will you get a job yourself or simply seek a divorce?
4. Will you take your next vacation by the sea or in the mountains?
5. You are going to make a trip to a local destination. Will you take the express bus, the train, or a plane? Or will you drive?

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
