

Public Service Announcement (PSA)

Public Service Announcements (PSA) are short messages that are broadcast on television and radio. Their purpose is not to advertise a product. Instead, they inform the public of important health and safety issues.

Pre-Watching Question

Fill out this outline of the public service announcement.

Purpose:

Sound Effects:

Opening line (used to grab the listener's attention):

Reasons for giving blood:

Suggested action:

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
