In a small village, a little boy lived with his father and mother. He was the only son. The parents of the little boy were very depressed due to his bad temper. The boy used to get angry very soon and taunt others with his words. His bad temper made him use words that hurt others. He scolded kids, neighbours and even his friends due to anger. His friends and neighbours avoided him, and his parents were really worried about him.

His mother and father advised him many times to control his anger and develop kindness. Unfortunately, all their attempts failed. Finally, the boy's father came up with an idea.

One day, his father gave him a huge bag of nails. He asked his son to hammer one nail to the fence every time he became angry and lost his temper. The little boy found it amusing and accepted the task.
