

# Save Energy

Picture Story: Look at the picture and describe the situation.

Your story should begin with this sentence:

One day, Ken was listening to his teacher, Mrs. Ito, talk about air conditioning.

## Grammar Review: Zero Conditional

**Zero conditional** is used to talk about general truths, or things that are almost always true under certain conditions. Like a scientific fact.

Take some ice. Put it in a saucepan. Heat the saucepan. What happens? The ice melts (it becomes water). You would be surprised if it did not.

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
