

Skill Builders: Writing – Narrative Writing

Biographical Narrative Writing

Narrative writing is writing that tells a story, whether true or fictional.

Types of writing assignments:

1. **Biographical narrative** - shares an important **experience from someone else's life**. Here are step-by-step directions to help you create a biographical narrative.
2. **Fictional narrative** - tells **a made-up story**.
3. **Personal narrative** - shares an important **experience from the writer's life**.

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
