

Skill Builders: Writing – Narrative Writing 3

Imaginative Narrative Writing

Narrative writing is writing that tells a story, whether true or fictional.

An **imaginative/fictional narrative** is a **made up story**. Instead of being about real things, this story is about **things you imagine**. Creativity is the most important thing in making an imaginative story. You don't need to be afraid to go above and beyond reality. For example, instead of including events that can happen to you everyday, create unusual events that could never happen in real life.
