

Fit for a King

With your teacher, discuss the following questions.

- Did you eat breakfast this morning? What did you have?
- What did you have for dinner last night?
Describe your meal in detail.
- What is your favorite thing to eat when you are...
 - watching a movie
 - drinking with friends
 - hungry between meals

Speaking Point

- ◆ **to have something (for lunch/breakfast) / to have something to eat**

This morning, I was really hungry. I had two scrambled eggs, some bacon, two pieces of toast, a bowl of corn flakes, some yogurt, and a banana.

- ◆ **to pick up the bill/ to pick up the tab / to pay the check/ to split the bill**

Every time I have dinner with my friend, I always pay. He's not working now, so I don't mind picking up the check.

Whenever I go out to eat with my friends, we always split the bill.
