

Not Exactly the Same

With your teacher, discuss the following questions.

How do you compare to the people you know? Take turns with your teacher comparing yourself to the following people. Use the adjective in brackets. Ask follow - up questions to get more informations.

- my brother or sister (lazy/studious)
- my mom (talkative)
- my dad (tall/funny)
- my best friend (intelligent)

Speaking Point

◆ Talking about Similarities

so is... / so do...

too/ also/ either

both/ neither

A car runs on gasoline, so does a motorcycle.

A car can't fly and a motorcycle can't either.

They both have wheels. Both of them have an engine. Neither of them can fly.

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
