

# Men and Women - Equal at Last?

(Image courtesy of nongpimmy / FreeDigitalPhotos.net)

## Activity:

Talk about the equality between men and women in the workplace, the home, government, etc.

Do you feel that women are truly equal to men in these various roles and places?

Take a side: Argue that equality has been achieved for women or women have not yet attained true equality to men.

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
