## Reading

A website that provides price comparisons for flights, hotels and car hire across the globe has made some bold predictions for what travel will look like in a decade from now. Perhaps the most mouthwatering destination for 2024 holidaymakers will be a trip to the Moon or a stay in space. The site Skyscanner.com has just released a report of what holidays in the not-too-distant future might look like. The report is titled 'The Future of Travel 2024' and outlines a whole series of previously unimaginable vacation choices for the thrill-seeking traveller and those who just want to get there quicker. The report is a result of the collaboration between travel experts and international technology experts.
