

Lesson for Upper-beginner Kids:

DIFFERENT KINDS OF NOUNS

1. Countable and Uncountable Nouns

Countable Nouns

→ refer to things that can be counted.

E.g 1. Rohan has two **bags**.

2. I have five **pencils**.

Please give examples of a countable noun.

Uncountable Nouns

→ refer to things that cannot be counted

→ they are always **singular in form**.

E.g 1. I like **sugar**.

2. He has little **milk**.

?: Can you count sugar and milk? NO

Please give examples of a uncountable noun.

2. Singular and Plural

a. Singular Noun

→ refers to one person or one thing.

E.g 1. A boy

2. A leaf

3. A pen

Please give examples of a singular noun.

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
