

## Robots Branch Out Across Workforce

---

### Vocabulary:

#### **tedious** (adjective)

– lasting or taking too long and not interesting

Example: She finds her job to be very tedious, so she is looking for other career opportunities.

#### **weld** (verb)

– to join pieces of metal together by heating their edges and pressing them together

Example: My grandfather was a master metal-worker. He would be welding all day long!

#### **murky** (adjective)

– (in this case) not clearly expressed or understood

Example: The future of his business is looking a bit murky at the moment.

#### **bypass** (verb)

– (in this case) to go around or avoid (a place or area)

Example: We can take the highway to bypass the city center.

#### **versatile** (adjective)

– able to do many different things; having many different uses

Example: The Swiss Army Knife is one of the most versatile tools you can buy.
