

Python Boy

SIT TBOW, CAMBODIA,

Oeun Sambath, 3, has an **unusual** best friend. It is a **huge** python four meters long! Oeun and his python, Lucky, are always **together**. When they sleep, Lucky makes a big **circle** with his body. Little Oeun is in the **middle**, with his head on Lucky's head. Oeun's mother is not **worried** about her son.

Oeun gets a lot of visitors. "He's a **special** child," they say. "Maybe he was a son of a dragon in his last **life**. They boy does not like to be away from his **favorite** friend. Once the family took a **trip**, but they did not stay away long. "My son **missed** Luck," said his mother. " So we came back early."
