

## Strange Things Happen When People Play Pokemon Go

---

### Vocabulary:

**superimpose** (verb)

– to put one image on top of another so that the two can be seen combined

**Example:** If you superimpose recent pictures of the city over older ones, you can see how it has changed over the years.

**crawl with something** (idiom) – full of something

**Example:** The town square was crawling with football fans before the match.

**consequence** (noun) – a result of something that has happened

**Example:** Your actions could have very serious consequences.

**embrace** (verb) – accept (a belief, theory, or change) willingly and enthusiastically

**Example:** He embraced the idea that he will never be the same again.
