Example: That was a minor mistake.

Article: SG Investigating Man After Tooth Picks Found in Bus Seat

A 60-year-old man in Singapore is under investigation for putting toothpicks into a seat on a public bus.

The Reuters news agency says pictures of three toothpicks sticking up from the bus seat were published on Facebook in July. A Facebook user said she saw the three small sticks just as she was preparing to sit down. She urged other users to look closely at their seat before sitting down.
