

5 Business Trips

Future

Present continuous; present simple; *going to*; *will*

A. Context listening

- (1) Nan has taken care of the arrangements for Inez's business trip. She is telling Inez the plans she has made. Before you listen, look at the picture. What do you think her plans are? What will the weather be like?

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
