Listening Comprehension

Listen carefully while the teacher reads the following advertisement.

Sick of Motion Sickness?

Motion sickness can ruin a trip. But there's no need to let that happen. If you suffer from motion sickness, and don't like the drowsiness that can be a side effect of motion sickness remedies sold in pill form, then the **Accu-Brace** is for you. **Accu-Brace** is a soft nylon strip you wear around your wrist as comfortably as a watch strap. Combining ancient Chinese acupuncture principles with modern technology, it applies a mild electric charge - too faint to feel - to crucial pressure points on the wrist. In clinical studies, the **Accu-Brace** eliminated motion sickness altogether in nearly 80 percent of those who used it.

Accu-Brace - Try it! It works!

Look for the red and green box at your pharmacy.

 - B. A remedy for seasickness sold in pill form.
 - C. A scientific study of the effects of acupuncture.
 - D. A non-drug treatment for motion sickness.

2. What disadvantages of pills does the ad mention?
 - A. They sometimes produce a rash.
 - B. They can make one sleepy.
 - C. They have an unpleasant smell.
 - D. They are very expensive.
