

Read the poem. Describe the feelings or emotions found in the poem.

Sadness and Happiness

Sadness is gray cloud.
It sounds like the moan of a foghorn.
It smells like mushrooms.
It tastes like stale popcorn.
It looks like a lost pet.
Sadness feels like damp clothes.

Happiness is blue sky
It sounds like the 25th of December
It smells like chocolate-chip cookies
It tastes like strawberries
It looks like a rainbow
Happiness feels like a hug.

Questions:

1. What feelings or emotions can be found in the poem?
