

Beginner Curriculum for Speaking & Grammar

Describing People

Directions :Students use physical appearance vocabulary to describe someone in the class. Students work in groups to guess the student being described.

Grammar	Simple present	Level	Beginner
Theme	Describing people		

Procedure

- 1.Review vocabulary for describing physical appearance.
- 2.Guide the student on the descriptions / adjectives that he /she is going to use.
- 3.The students' task is to describe the person/s by talking about his or her physical appearance. Student must listen to the clues given by the teacher and guess what is being described.
- 4.Teacher must introduce new words aside from what is given below.

You can see the whole lesson from your teacher,please ask them to send it to you before the class.
