

## Grammar-Quizzes

### PRACTICE ON POINTS OF ENGLISH GRAMMAR

#### Phrasal Verbs

##### Using two-word verb expressions

##### Verb + Adverb vs. Two-Word Verb (Phrasal Verb)

##### VERB + ADVERB

An adverb for place (direction or location) has a literal<sup>1</sup> meaning. That is, it has a its basic (dictionary) meaning. The adverb expresses movement in a direction.

Look up. (up modifies where to look)

My dog wandered off. (off modifies where my dog wandered)

She put the cat out. (out modifies where she put the cat)

I pushed the cat away. (away modifies where I pushed the cat)

We went in. (in modifies where we went)

He walked behind. (behind modifies where he walked)

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
