

The Coffee Revolution is Here

Vocabulary:

barista (noun) - a person who works in a coffee bar

Example: He loves coffee so much that he is training to become a barista!

discerning (adjective) -able to show good judgement about the quality of somebody/something

Example: The discerning art critic will recognize this painting as a fake.

artisanal (adjective) – (of food and drink) made in a traditional way with high-quality ingredients

Example: When I returned from France, I brought back home lots of artisanal cheese.

evangelist (noun) – an advocate of a particular cause

Example: She has become an evangelist for veganism.

sommelier (noun) – a trained and knowledgeable wine professional

Example: I bought this expensive wine because it was recommended by my friend Andy, the sommelier.

convert (noun) – a person who has changed their religion, beliefs, or opinions

Example: After listening to his speech, I have become a convert to the cause of saving the elephants.

A **flick** is a quick, short movement, usually coming from the wrist or hand.

Something that's **tolerable** is something you're able to live with.
