Activity: Debate

Give examples of violence in various media forms.

Consider which positive or negative effects violence in the media has on society.

Debate whether the government should take regulatory steps to control the amount of violence in the media or there is no need for government intervention or regulation.

Yes, The Government needs to regulate the media

- Violence begets violence.
- Children copy the violence seen on TV and in films.
- It is the responsibility of the government to take corrective measures when a situation becomes dangerous.
- It seems like there are only violent TV shows anymore.
